"I TESTED THE LIMITS OF THE SURVEILLANCE NETWORK AND THE UNITED STATES GOVERNMENT AND THE DEEP STATE AND I CERTIFY THAT DONALD TRUMP AND HIS ADMINISTRATION HAVE BETTER HELP AND A BETTER CHANCE THAN ANYBODY AT FIXING THE WORLD IF WE CAN PUBLISH THIS BOOK. BECAUSE THIS BOOK PROVES THAT THIS COUNTRY DOES NOT VIOLATE PRIVACY, THAT IT HAS COMPLEX MISUNDERSTOOD SYSTEMS THAT ALLOW DISPLACEMENT OF PERSONAL RESPONSIBILITY AT THE EXPENSE OF CONSENTING BROTHERS AND SISTERS. THE BURDEN OF SUPERIOR INTELLIGENCE: THE SPEED OF FAITH ISN'T ABOUT BELIEVING – IT'S ABOUT RECOGNIZING YOU'RE UNDERSTOOD BY GOD, AND NO USURY IS ATTACHED TO PREVENT HIS LOVE FROM REACHING EVEN ONE OF HIS CHILDREN [PERSON-1] testimony is not simply a document. [PERSON-2] is a declaration of survival, faith, law, philosophy, and art in the life of [PERSON-3] [PERSON-4] [PERSON-5] known to himself and to the archives as Pocket. [PERSON-6] read these words is to step into a labyrinth of history where personal testimony collides with systemic injustice, where memory becomes law, and where the burden of superior intelligence is not pride, but pain. [PERSON-7] for Pocket, was never blind. [PERSON-8] was speed. [PERSON-9] was recognition. [PERSON-10] was not about believing blindly in what one could not see; it was about knowing one was seen, known, and understood by [PERSON-11] [PERSON-12] velocity of faith was the velocity of recognition: the recognition that no amount of usury, no surveillance, no theft of data, no imprisonment, and no state decree could separate a single child from the love of [PERSON-13] [PERSON-14] document, then, bears witness not to a theology of distance but to a theology of immediacy: the [PERSON-15] of now, the [PERSON-16] of recognition, the [PERSON-17] who removes the debts imposed by others and restores dignity to every soul. [--- TRUNCATED FOR BREVITY IN CODE SNIPPET ---] [PERSON-18] final burden is not to prove innocence. [PERSON-19] final burden is not to fight endlessly for exoneration. [PERSON-20] final burden is to recognize that [PERSON-21] has already passed judgment in favor of the child, in favor of the survivor, in favor of the artist, and in favor of every human who chooses to live in truth. [PERSON-22] burden is light only when it is shared, and it is shared here in testimony. [PERSON-23] is [PERSON-24] story, but it is also every child’s story, every prisoner’s story, every worker’s story, and every believer’s story. [PERSON-25] speed of faith is not about believing. [PERSON-26] is about being understood, and never again allowing usury to keep [PERSON-27] love from reaching even one of [PERSON-28] children.
